

# Writing to your MP

This worksheet is here to help you structure and format a letter to your local MP. The topic of your letter is up to you, but we recommend choosing an issue which is particularly important within your local area.

Dear *my local MP*

My name is *name* and I am a pupil from *school name*

I am writing to you to raise awareness of... *what issues*  
*are important to you in your local area? What are you*  
*concerned about locally? What issues need fixing in your*  
*area?*

This issue is important because... *How does that*  
*particular issue affect people in your community? How does*  
*it make you feel? Why should this issue be a priority?*

I would like the following action to be taken... *What do*  
*you think your MP can do to help? Do you want them to*  
*raise it in Parliament or maybe you would like them to*  
*visit the people who are affected? What is the next*  
*step?*

Every blessing in Christ, through St Vincent,

*Your name*

"The Holy Spirit will teach you in that very hour what you ought to say" (Luke 12:12)  
 If you are struggling to think of what to say, pray about it! Prayer is a really powerful tool that can help us to find the right words to say.
