

ST VINCENT DE PAUL SOCIETY **YOUTH SVP** TURNING CONCERN INTO ACTION

OUR HOPE

In 2033 the society of St Vincent de Paul will be 200 years old, and the Young Vincentian team's hope is to have an expression of Vincentian spirituality present in as many of our Catholic schools and parishes as we can.

We want young people, their staff and families to support us when they are able and come to us when and if the need arises for them or those they love or know.

Help us to turn this hope into a reality by sharing the mission of the society and the resources we produce, supporting us when you are able and setting up a Youth SVP in your setting where possible.

Who are the Youth SVP?

The Youth SVP get together in schools, colleges and parishes across England & Wales.
