MY MINI VINNIE MOTTO FOR YEAR 7:

Loving God, thank you for the friends we've made, the people we've helped, and the lessons we've learned. Help us carry the Mini Vinnies' spirit with us—to see, think, and do just like Jesus did. Guide us in our new schools and new adventures. Amen.

***Write your own prayer, or draw a picture, to thank God for your time at primary school.***

Your Next Adventure Starts Here! 🌟

You've been a brilliant Mini Vinnie – full of kindness, courage and care. As you move into Year 7, your journey doesn't have to stop here...

If your new school has a **Youth SVP group**, why not join?

It's a great way to keep helping others and making a difference – just like you've already done!

If there isn't one yet – don't worry! Maybe you could help start one! All it takes is one kind heart to get things going. Talk to a teacher or chaplain, and you could be the spark that starts something amazing.

Remember, no matter how big the world gets, there's always room for more kindness – and you have what it takes to lead the way.
