Please help the people of South Sudan

The people of South Sudan urgently need our help. The lasting effects of a decade long civil war, a fragile economy and basic healthcare and education systems mean South Sudan's population face widespread hunger and food insecurity, sky rocketing prices and the constant threat of violence and insecurity.

Can you help by making a donation today?

Your donation will give hope to those living in these challenging circumstances. If you are a taxpayer, please complete the Gift Aid form overleaf, and to make a regular donation, please use the form overleaf to set up a standing order.

SVDP South Sudan work with a number of charity partners and we are grateful to the **Swiss Association of Friends of Sister Emmanuelle** for their permission to use some of the photographs in this leaflet.

The SVP sends funds to provide essential rations and meal supplements at Feeding Centres for malnourished children.

The SVP provides basic food items such as maize, beans and cooking oil at the displaced persons camps for women and children.

The **‘Be In Hope’ Street Children Project** rescues boys from the street and provides them with safe accommodation, access to essential items, and educational and training opportunities.

It costs around £150 per child to run the Young Children and Baby Feeding Centres.

Thanks to legacies and Rise to the Challenge funding, the SVP has part-funded and furnished a new school building which will benefit 1,200 children.

Your donations also support the **Vocational Training Centre** to provide skills and training which empower people into jobs so that they can support their families.
