

# John's Charity Golf Day

John will be joining other members of the St Vincent de Paul Society in walking 123km of the Camino. He has pledged to raise £1,500 which will support the homeless, isolated and vulnerable people in the community. Donations will also support twinned groups in Ukraine, India and South Sudan for food, education and self-sustainable projects.

To help meet his fundraising target, John has organised a charity golf day where all profits go towards sponsoring his camino walk.
