## Leader's Guide

### The Lenten Display: A Journey 'to the heights'

Across the five weeks of Lent, your group will help create a shared display representing a path up a mountain and what they've learned on their journey. Each week:

- Children listen to and reflect on a story of Jesus.
- They complete the activity on the weekly handout.
- The completed paper cut-out is then added to the display in your school or parish.

The mountain path will include five checkpoints, one for each week of Lent. Leaders can place the completed cut-outs at each checkpoint as the journey progresses, allowing the children to see how their reflections and actions are building week by week.

### Weekly Themes

The five checkpoints focus on the following themes:

- Week 1 – Seeing Others
- Week 2 – Bread for the Journey
- Week 3 – Stopping to Listen
- Week 4 – Sharing the Table
- Week 5 – Giving Our Hearts

### Flexible Use

These activities are intentionally flexible and can be used in two ways:

- Individually – each week stands alone and can be used independently to suit your timetable or focus.
- Consecutively – when used across all five weeks of Lent, the activities build together to create a visual and spiritual journey.

See example display and optional printable templates on the next page:
