

SVP Springfield Furniture Bank

How it works:

We help people free of charge in the Chelmsford City Council area and Witham.

When contacting us, please tell us:

- Name, address & phone number
- If you are moving in, when?
- What items you need—see list on reverse
- How many people are in the household (ideally ages and genders of children to help with picking appropriate items)
- Do you live in a house? Or what floor is your flat on?

You can contact us by phone or whatsapp on 0330 043 6474 or email furniturespringfield@svp.org.uk

We are open Tuesdays, Wednesdays and Thursdays 9am—1pm

Our team of volunteers will pack and deliver items out to you. The day before we deliver, we will give you a 2 hour delivery slot.

The items we provide are good condition second hand. All items are checked to ensure they are in good condition, safe and clean.

If you do not have a bed and are sleeping on the floor, please let us know and we will aim to get a bed to you the same day.

We ask that you apply for cookers, washing machines and fridge freezers from the Essex County Council Crisis and Resilience Fund first if you are eligible.

SVP Springfield Furniture Bank
